JAMES ROOSEVELT

November 30, 1962

Dear Dr. Schneid:

Thank you for the picture, and for your thoughtful letter.

I am not, however, the proper person to contact about a possible memorial. I would suggest that you get in touch with Mr. Myer Feldman, Assistant Deputy Counsel to the President, the White House, Washington, D. C., who may have further information.

All best wishes.

Sincerely,

James Roosevelt
